Listed below are some basic instructions for building permit application submission. These instructions are in addition to completion of the basic application that is attached to this cover sheet.

#### COMMERCIAL BUILDING PERMIT APPLICATIONS

- All commercial building permit application must be submitted with three (3) complete sets of building plans. These plans should include all architectural and structural details, along with plumbing, mechanical, electrical, fire protection and accessibility details and specifications.
- **ALL BUILDING PLANS FOR COMMERCIAL PROJECTS MUST BE PREPARED, STAMPED AND SEALED BY EITHER A REGISTERED ARCHITECT OR A LICENSED PROFESSIONAL ENGINEER LICENSED IN THE COMMONWEALTH OF PENNSYLVANIA.**
- Site plans for each project must also be submitted in triplicate.
- Full engineering data and calculations must be submitted with all commercial building permit applications. These would include, but are not limited to: fire protection calculations, HVAC ventilation schedules, plumbing fixture unit calculations, fuel gas pipe sizing calculations, electrical service calculations, etc.
- An Energy Conservation Code compliance certificate or equivalent must be submitted with all applications for new construction.
- A copy of the approval letter for erosion and sedimentation control from the Berks County Conservation District should also be submitted, if applicable.
- Be advised, that the UCC permits a 30 business day review period for all commercial building permit applications. No work shall begin on any project until a building permit has been issued.
- A Certificate of Workman's Compensation Insurance must be submitted with the application.

Upon issuance of a building permit, a permit placard along with supporting documentation will be returned to the permit applicant upon payment of permit fees. The permit will detail all required inspections that are specific to the project for which the permit has been issued.
