Please accept our invitation to participate in the Mohnton Cumru Lion Club Great Pumpkin parade, held on **Saturday, October 19th, 2024**, in Mohnton. There will be no rain date this year.

Last year we had 2,400 participants parade in front of nearly 15,000 spectators. That makes this parade one of the largest in Berks County. Your group will receive immense visibility and you will have the opportunity at the judging area in front of Calvary Church to really show off your stuff. It is always a good time for adults and children in our communities. We are looking forward to having you join us.

**Once you register, you will receive an email from us confirming your registration.**

The parade will begin promptly at 7:00 pm in the Northridge section of Mohnton. There will be shuttle bus transportation from the public parking areas (Werner & E. Wyomissing Ave.) to the staging area for all parade participants from 5:00pm to 6:30pm. Visit our website for parade route and public parking information. There is no parking in the staging area. We encourage our groups to dress in Halloween attire, if desired.
